Madrigal “IMAGINE” project

Dear Madrigals,

We have had such a wonderful year with 1st place at the Renaissance Festival, a great Princess and Superhero tea, an incredible Madrigal Dinner, and of course, 3rd place at Madrigal Festival. Your premiere of, "Jarba, mare Jarba" was authentic and spirited. This year we have experienced wonderful rehearsals filled with joy, laughter, and determination. I’ve never seen the Madrigals work this hard as a team.

All of you bring me so much joy and I am so inspired by your love for music. I truly hope that this year is not over for us. While we wait to see what the future brings, here is an assignment for you to complete. This will be our "Imagine" project.

Each of your will be making a short video singing one line of the song Imagine. You have been assigned a line. Want to trade with someone? Work that out amongst yourself, but let me know. Once I have all of the videos, I will compile them so that we have one performance.
* You may use your family in the video if you would like or you can go solo. Parents, siblings, grandparents, whoever you would like are welcome.

Please complete this assignment by Tuesday, March 31.

Let me know if you have any questions.

Sincerely,

Mrs. Orr
