## ATTENDANCE

If your child is absent, please send in a note within 48 hours of their return to school. If a doctor's excuse is unavailable, parents should write their own letter. Students arriving after 8:15 are counted tardy unless they have a doctor's excuse.

Parents, please escort your students to the front desk if they are late.

## LUNCH VISITORS

Guests visiting at lunch must bring their license, wait for their V-Soft sticker, and eat lunch with their child at the Visitors' table in the cafeteria. Visitors are not allowed to provide food to students other than their own children or to invite other students to sit with them. Parents, please hug goodbye and exit the cafeteria 5 minutes prior to the end of lunch so your child can join his/her class for dismissal. Guests may not accompany students to recess. \*\*Fathers serving as Watch DOGS may be asked to join the classes and help with recess duty on their day of service.

We are honored to be a part of the Franklin Covey Organization's Leader in Me program! Our students learn and practice 7 Happy Habits.

1. Be Proactive. *You are in charge of your actions.*
2. Begin with the End in Mind. *Have a plan.*
3. Put First Things First. *Work then play.*
4. Think Win Win. *Look for a way for everyone to win.*
5. Seek first to Understand, Then to Be Understood. *Listen, then talk.*
6. Synergize. *Work together.*
7. Sharpen the Saw. *Take care of your mind, body, and soul.*

## HUG & KISS GOODBYE

Parents may walk their children in through the front door without checking in through V-Soft. Please say your goodbyes in our foyer before the brown doors, by the library. Your children will walk to class on their own, under our staff's supervision.

## STAY INFORMED!

All parents should receive *The Stampede*, an electronic newsletter, from Dr. Bartlett each week via email. If you do not get these, please touch base with her at [catherine.bartlett@misd.org](mailto:catherine.bartlett@misd.org). Previous newsletters can also be found on the website.

## CHANGE OF

## TRANSPORTATION

Change of transportation must include the student and teacher name. You will email the changes to [lsetransportation@misd.org](mailto:lsetransportation@misd.org)

## TRANSPORTATION CARDS

Every student has a card with his/her name on it to use as an "exit ticket" when they leave our building at dismissal time. This helps our staff quickly determine how a child went home (bus, day care, car rider, parent walk up, etc.) in case there are any questions.

## BIRTHDAYS!

Every child will choose a book from our PTA for their birthday at the end of each month. We are so excited to give the gift of reading to our students! We will also have our students introduce themselves and join us for the morning announcements and Pledge of Allegiance on their special day. Summer and weekend birthdays will be recognized as well, and everyone will receive a small prize.

Please do not send class treats to celebrate your child's birthday as we have students with allergies and other nutritional concerns. Your child's teacher will help you with a class directory or group email so that you can send invitations as needed instead of passing them out at school.

## WHAT IS A TRIBE?

Each homeroom class is part of a vertical Tribe that spends a day together once a month. On their special day, the K-5 students will have a variety of leadership opportunities, learning activities and enjoy lunch, recess, & C.A.M.P. together. Parents are welcome to sign up to help volunteer for lunch duty on Tribe days and see the leadership & collaboration in action! Students will wear their colored Tribe shirt on these days. Be on the lookout for specific dates in our LSE Stampede newsletter and on the website.

## INSTRUCTIONAL GARDENS

The gardens at the front of our campus are not landscaping. We have several different outside learning areas for our students, including herb, rose, bluebonnet, sunflower, vegetable, and butterfly gardens! Our students have hands-on science lessons directly related to their grade level curriculum throughout the year by Mrs. Stephanie Baker, a Master Gardener from Ready to Grow Gardens. Our PTA supports this important initiative, and parents are always welcome to stop and watch a garden lesson whenever one is posted on the calendar in our newsletter. You will walk away with new information, guaranteed!

## STAY INVOLVED!

PTA meetings are typically the 2<sup>nd</sup> Tuesday of each month at noon, but check our weekly newsletter for dates. All parents are welcome! We ♥ our volunteers! Parents support our school by their actions here, at home, and through their positive words. We appreciate that!
