Dear Parents,

Each year the Texas Education Agency (TEA), the governing body for all public schools in Texas, rates each campus on a variety of measures. A few of these measures include students' overall scores on the State of Texas Assessments of Academic Readiness (STAAR), academic progress of students from one year to the next, and how well we close the performance gaps. TEA sets a target score for each of the indices and an overall rating of Met Standard or Improvement Required.

Montgomery Intermediate School (MIS) performed exceedingly well in all areas assessed (see Table 1 for exact scores). The 2015 Accountability Rating for MIS was **Met Standard**.

**Table 1: Texas Education Agency  
MIS Scores for 2014-2015**

<b>Performance Index</b>	<b>Target Score</b>	<b>MIS Index Score</b>
Student Achievement	60	89
Student Progress	30	49
Closing Performance Gaps	28	44
Postsecondary Readiness	12	33

We are very proud of the hard work of our students, teachers, and parents whom support their child's education. The staff at MIS will continue to do our best to ensure the progress of all students in all grade levels. We diligently implement and supplement the Montgomery Aligned Curriculum (MAC) in order to ensure academic success for all students. If you would like to review MIS's report card on the TEA website, please follow the link: <http://ritter.tea.state.tx.us/perfreport/src/2015/campus.srch.html>. When you click on this link type "Montgomery Int" in the box and the system will locate our report card. Thank you for showing a great interest in your child's education and for your continued support!

Sincerely,

*Mallory Kirby*, Principal
