Angie Chapman, Principal Kevin Winfield, Asst. Principal Scott See, Asst. Principal

Montgomery Junior High Parents and Guardians,

I hope you and your family have been safe and well during this time off. Last week, the District made the decision to close school facilities to help limit the spread of COVID-19. Since that time, our District and campuses have been working diligently to develop plans for remote education to provide continuity in our students' learning during the closure.

It is our goal to establish an effective and accessible remote learning environment for teachers to provide to students. At MJH, we want to make the transition from face-to-face instructional to online/remote learning as seamless as possible, so we will begin by making all instruction available for your student on each of our teachers' websites. Our teachers will begin posting instruction to their websites and communicating with you on **Wednesday, March 25**. Please share individual concerns or needs, if warranted. Your student will have no more than 2 hours a week of instruction for all core and high school credit subjects and 1 hour a week of instruction for elective courses. At this time, the MISD grading guidelines will be suspended during this period of remote learning or until further notice. If your child is unable to access online learning, please reach out to your child's teacher.

In addition, our counselors and nurse will be available daily from 8:00 – 3:30 and will be posting updated information every Tuesday and Thursday to their websites regarding counseling and health related information. You will also be able to check out our library website for updated information on access to online books, our Friday field trip virtual tours, and much more. For students or families wanting weekly exercise and activities, you can find these on our PE coaches' websites.

Please continue to follow us on our campus social media sites for updated campus information and fun activities for your student:

Twitter @mjhsbears

Instagram (mjhsbears)

Any major announcement from the District will continue to be shared via our school reach communication system. I will update you on important campus information through our email system and will post each update to our MJH webpage. In the meantime, please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Angie Chapman, MJH Principal
