

STUDENT DROP-OFF/PICK-UP

Car Rider Entrance Loop – All students should be dropped off and picked up using the car rider entrance loop. Traffic on the car rider loop is in one direction only.

Bus Entrance – The bus entrance will only be used for buses at all times of the day. For the safety of our students, please do not enter the bus entrance for convenience or to save time.

Faculty Entrance/Car Rider Exit – The faculty entrance/car rider exit should only be used for faculty members entering the building or other visitors that are **parking and entering the building**. The back parking lot is for faculty only and all other traffic should refrain from using it.

IMPORTANT – Students are not permitted to be dropped off in the school parking lot. No student will be allowed to cross the traffic line without a parent or guardian escort into the building. Thank you for your cooperation in following this safety request.
