February 9, 2016

Dear Parents,

Each year the Texas Education Agency (TEA) prepares a Campus Report Card based upon student performance on the STAAR test. The Campus Report Card provides information for Stewart Creek focusing on three Performance Index areas: Student Achievement, Student Progress (academic progress from one year to the next) and Closing Performance Gaps. TEA sets a target score for each of the indices and an overall campus rating of Met Standard or Improvement Required.

Stewart Creek Elementary performed exceedingly well in all areas assessed (see table below) and earned a campus rating of **Met Standard**. Additionally, SCE also earned a distinction in Closing Performance Gaps for performing in the top 25% of our campus comparison group.

Stewart Creek Elementary Scores
2104-2015

| Performance Index | Target Score | SCE Index Score |
|--------------------------|---------------------|------------------------|
| Student Achievement | 60 | 88 |
| Student Progress | 30 | 44 |
| Closing Performance Gaps | 28 | 50 |
| Postsecondary Readiness | 12 | 37 |

We are very proud of how well our students did on the state assessment. Teachers and staff will continue to work hard to ensure our students are “Achieving Greatness” not only on the STAAR test, but in all that we do at SCE.

Thank you for your continued support,
Michele Salter
Principal
