

Christmas Tree Ornament

Due: _____

Directions: Create an ornament for our science tree that illustrates one concept you have learned this year in science or in previous years past. The ornament must be original work and able to hang on our tree.

Rubric

- My ornament is my original work. (I did not buy it!)
- My ornament is colorful and creative. It looks nice.
- My ornament will easily hang on the tree.
- My ornament accurately demonstrates a scientific concept we learned this year or that I have previously learned.
- I turned in my rubric with my ornament.
- I turned in a paragraph explaining the concept of my ornament.
