The purpose of the PRE-AP entrance and exit guidelines is to provide information to parents and students and to facilitate students’ success in academically challenging courses. While PRE-AP courses are open to any student wishing to enroll, parents and students should consider the profile of students who typically experience success in PRE-AP. The decision to enroll in PRE-AP ultimately rests with the parents and the students. PRE-AP classes in Montgomery Independent School District stimulate and challenge students to perform at an advanced academic level. Therefore, PRE-AP coursework requires students to engage in more independent analytical reading and writing assignments, both inside and outside the classroom.

Entrance Guidelines regarding PRE-AP Courses:

The PRE-AP courses offer special opportunities for motivated students to pursue academic work that challenges their interests and abilities. These courses offer an environment designed to encourage higher level academic achievement. The student must have mastered the most recent state assessments taken to be eligible for these classes.

Successful students are task-oriented, proficient readers, able to prioritize their time, and have parental support. Students are asked to give careful consideration of demands of extracurricular activities, employment, community service, religious activities, and homework.

Exit Information regarding PRE-AP Courses:

Students who fail to maintain a 70 average for any given grading period will be placed in a grade level course. If there is no level course for students to move into during the same period of the day as the PRE-AP course they are exiting from, a schedule change resulting in more than one period change will be necessary. When a student transfers from a PRE-AP course, the grades for that student will transfer to the course in which the student enters.

MISD takes pride in offering a strong curriculum in all courses. If a schedule change to a level class occurs, the student will continue to experience quality learning opportunities designed to effectively prepare him or her for high school and college curriculum. I understand the entrance and exit guidelines pertaining to participation in PRE-AP courses in MISD.
