The MJH Counseling Department would like to welcome you to Montgomery Jr. High School! Mrs. Gagliano & Mrs. Stewart are here to support and encourage your student as they explore their interests while growing as learners.

**Important MJH information to promote student success:**

1. Our school day is divided into 8 periods. English and Math (except for ELA 8 & Algebra 1) are two periods long (1 ½ hours) while all other courses are only one period long (45 minutes).
2. Our first bell rings at **7:15 a.m.** with the school day ending at **2:40 p.m.**
3. Parents/Guardians are able to track their student’s progress online through our Gradebook Program. You must contact the Registrar in order to obtain a **Parent Portal ID #** that is required for creating an account. The website link for the gradebook program can be found on our district website at [http://www.misd.org/](http://www.misd.org/).
4. Hard copy of textbooks can be checked out through the Assistant Principal’s Office to be used at home. If you do not wish to have a hardcopy set at home, you can use the online versions which can be accessed at [http://destiny.misd.org/](http://destiny.misd.org/).
5. Our **Math Department** offers after school **tutoring every Tuesday and Thursday** throughout the year. Tutoring begins immediately after school and ends at 3:30 p.m. Parents/Guardians must pick students up that stay for tutoring. Some teachers offer tutoring in the morning when the students arrive. Tutoring days can vary based on the teachers’ duty schedule. **Tutoring** at other times in all subjects can be arranged through the student’s teachers. Contacting them via email is encouraged. A list of private tutors can be found on our counseling website, and hardcopies are available in the counseling office.
6. **Off Campus PE Coordinator:** Scott See (Applications can be found on our MJH website under Athletics) His email is scott.see@misd.org for any questions or concerns.
7. Our **504 Coordinators** for MJH are Mr. See, Mr. Winfield, Ms. Wood, and Mrs. Cook. If you have questions or concerns regarding our 504 Program, please contact the AP Office at 936-276-3397.

We invite you to visit MJH’s website at [http://schools.misd.org/page/mjhs.homepage](http://schools.misd.org/page/mjhs.homepage) and explore our “**Counselor’s Corner**” tab where you will find many valuable resources like the ones listed below:

- SCHEDULE CHANGE REQUEST FORM
