Dear Parent,

We want the 2019-2020 school year to be the best year ever for your daughters and sons. The school year will be historic with the first senior class of Lake Creek High School. The enthusiasm is building for what will be the 2nd year for the lions. We have the best students, parents, and staff in the state of Texas. The Lake Creek High School community will enjoy having four grades and even greater leadership from our students. Already we have experienced our Back to School PTO Brunch, First Roar, Express for all four grades, our first annual Senior Bash, and first day Pep Rally. Stand with the Lions is this weekend and One More Roar (for seniors) is on September 5th.

Our district and staff have worked tirelessly to get the building ready for students on Thursday, August 15, 2019. As I write to you, we have almost 1300 students and more enrolling daily. Lake Creek High School has 382 freshmen, 353 sophomores, 314 juniors, and 227 seniors. We are excited to help each student reach their highest potential. On Monday, August 19, 2019, at **6:00 p.m.** we want to share our lion pride and spirit by inviting you to attend our second ever Open House. At **5:30 p.m.** the school will be open and PTO will be selling Lake Creek gear in the cafeteria.

Open House will be a **come and go** event. You will have the opportunity to meet all of your student's teachers at your own pace. You can begin with the class of your choice; we will not have bells dismissing you from class to class. If you have more than one child at LCHS, you will be able to meet all of their teachers too. Our teachers will not have a formal presentation, but they always look forward to meeting you. On Monday night it will be important for you to have the class schedule of your student(s) that is attached and can also be found in Gradebook, so that you will know the teachers' names and room numbers. Please have your student fill out the schedule (on page 2) to follow that night. Open House will conclude at **7:30 p.m.**

We encourage you to view your student's teachers' websites. Their websites have course content and requirements, as well as expectations for student achievement. You will also find their contact information and their daily conference period. There is not time for parents to conference with teachers during Open House. We encourage you to email or call our teachers to request a conference if needed.

We are anticipating a tremendous 2019-2020 school year. Your cooperation and commitment will contribute greatly to ensure a great beginning at Lake Creek High School. We look forward to seeing you at Open House on Monday, August 19, 2019. Thank you for allowing us this great opportunity.

Sincerely,

P.S. Please refer to the attached parking map to assist you at Open House! We will also have directional signage to help you find appropriate parking!
