ELEVATING PARENT CONNECTIONS

MONTGOMERY ISD IS PLEASED TO ANNOUNCE THE RELEASE OF ASCENDER'S PARENT PORTAL

If you already have an existing account in txConnect Parent Portal, don't worry!
Enjoy the new application as your existing username and password are still valid.

Things to look forward to are:

- Enhanced features and look
 - Easier account creation
- Easier email verification process
- Ability to view student's latest Report Card and IPR

This update will take place on Tuesday, January 21, 2020.

One change with the Ascender Parent Portal is that the email address associated with your account must be on file with the district to allow you to continue to utilize the email/text alert feature in Ascender's Parent Portal.
