 SAMHSA

 FEMA

If you or your family have been affected by the COVID-19 pandemic, we are here to help.

Have you suffered any of the following?

- Personal or financial losses
- Emotional trauma or distress
- Physical or Mental Health issues
- Physical abuse
- Increased substance or alcohol use
- Unemployment
- Legal issues
- Heightened anger or frustration
- Social withdrawal
- Or just feel the need for support and local assistance?

Texans Recovering Together have trained professionals available to assist you in the recovery process. Contact us today!

### OUR GOAL

The purpose of the Texans Recovering Together program is to assist those who have been affected by COVID-19 through education, outreach, resiliency and recovery efforts, referrals and supportive counseling.

Our FREE services are available at:

- Homes
- Schools
- Community Centers
- Tri-County Offices
- Social Services Agencies
- Mutually convenient locations
