Howdy!! I hope all of you had a great weekend. We have a fun few weeks ahead of us. Lots of fun dress up days ahead. Two this week and Red Ribbon Week next week. Fun times!!

ATTENDANCE MATTERS at KEENAN...

Every minute in school matters! Two missed days a month adds up to being a half a year behind by the time you child reaches 4th grade. And once a child falls behind, it is hard to catch up.

#98percent #keskidsmatter

Keenan PTO

There are just a few spots left...

We are having our 2nd PTO Luncheon for teachers at Keenan next Thursday, Oct. 24. I'm attaching the Sign Up Genius for ways you can help. Sign up quickly if you know you can bring something and help decorate and/or serve. Items can also be dropped off the day of the luncheon. Thank you!! Carla

Notes from Nurse Muesel

Illness Fever and stomach illness have continued. Please keep your little lion home for at least 24 hours symptom and medication free. Remind your little lion to wash their hands and cover their coughs.

Clothes Reminder

Please pack a change of clothes in your child's backpack for all grades. Restroom accidents, lunch spills, mud, wet slides, etc. happen. I have a limited supply of clothes in the clinic and your child will feel more comfortable in their own clothes.

If your child comes home with clothes they have borrowed from the clinic, please wash the clothes and return them to school.

Spinal Screening

Spinal Screening for fifth grade girls will be on Tuesday, November 12th. A letter will go home with more details.

Field Trips

There are several field trips coming up. If your child needs medication while on a field trip I will send home a form for you to fill out. Please fill out this form and return it to me by the date on the bottom of the form. If you have any questions please contact me.

Have a great week! Nurse Muesel

News from STEM Lab...

STEM is still collecting empty water bottles and caps and Coke caps! Thank you to everyone that is sending them in to W108. If you donated some last week in nice reusable bags and want the bags back, please send your student in to get the bags from STEM. Thanks again.
