- MHS will offer the PSAT test the morning of Saturday, October seventeenth. It only costs twenty-five dollars to register for the test and you can do that in the my school bucks online school store. The PSAT can give you a glimpse of what taking the SAT will be like and give you an idea of a baseline score for the SAT test used for college admissions. It can also be a great way to qualify for scholarships offered at some schools. You must sign up for the PSAT this week
