- Are you funny? Do you like to make people laugh? Have you seen the show, "Who's Line is it Anyway?" If you answered yes to any of these questions, then we have the activity for you! We are starting our first ComedySportz High School League competitive improv team here at Montgomery HS. If you want to tryout for the team you should plan to be at the Black Box Theatre at 4pm on Monday to work with our coach and tryout. The team is open to anyone who is interested in playing competitive improv or who plans to be a comedian in the future. Hope to see you there!
- The Young Republicans Club will hold its first meeting of the year on Monday September 9 in room W131, Mrs. Riney's room. There will be no speaker, but there will be information about the club and plans for the upcoming year. And there will be of course, be pizza! All are welcome.
